

## HELENA TRAP CLUB LEAGUE OPERATING RULES

- 1.) NO DRINKING OF ALCOHOL PRIOR TO SHOOTING! The HTC Alcohol Policy will be strictly enforced and violators will be dropped from their League and asked to leave the premises.
- 2.) Teams are not allowed to use “substitute” shooters.
- 3.) All shooters wishing to participate in any League must formally sign up and pay their Club membership and League entry fees prior to the completion of the second week or round of shooting for that particular League.
- 4.) Makeup rounds, for past or future absences, can only be shot on scheduled League nights or a designated League make-up day. No more than two (2) scores (for two League rounds) may be posted on any League night or designated League make-up day.
- 5.) Scores for each Singles League team and each Singles League team member are kept on both a scratch and handicap basis. For the handicap scoring the highest handicap that can be given any individual shooter is a twelve (12).
- 6.) For the Singles Team League awards no team can win and receive an award for more than one of the League team award categories.
- 7.) If a Singles League team member needs to drop out for health, family or business reasons during the first 4 weeks of the League, their League fees will be refunded less \$8.00 for each round shot. Their membership fee however is non-refundable. Anyone dropping out after the first 4 weeks, for any reason, will receive a “no score” for any remaining rounds. Teams who have a member dropout during the first 4 weeks need to consult the **Board** regarding the policy and procedures for a “replacement “shooter.
- 8.) Fees paid to participate in the League DO NOT include any expense for participating in any of the shooting events on the “Fun Night” scheduled at League’s end.

ANY DISPUTES OR REQUESTS FOR EXCEPTIONS TO THESE RULES MUST BE SUBMITTED TO THE HTC BOARD OF DIRECTORS FOR FORMAL ACTION.
